Emergency cash, managed in HR

All-in-One HR and Payroll

From 201s to payroll to salary advances, everything runs inside HR, no switching tabs tools.

Help Your Team Can Trust

Employees can access funds through their HR dashboard. Fast, discreet, and easy to manage.

From Request to Repay

Advance requests sync with payroll automatically. Repayments stay aligned with every cycle.

Support Built Into Payroll

Uses real payroll data to set limits, giving every employee support that matches their situation.
